

# CYPHER 16 SIXTEEN

## **BREAK - LYRICS**

Enter the room, you've seen it before  
Action, reaction, you sway, return to the door  
You sit at the table or kneel on the floor  
Imagine a day when you can say 'no more'

Sing for the day, when it all goes away  
All that we are, leads us astray  
Memories are made, with a price to be paid  
So sing, and let's today

You can't go back, and you can't stay on track  
And you're taking the risk, and you're risking it all  
For thrill of the fall and the thrill of that feeling it gives you, it gives you overall  
But it's taking its toll and it's taking your soul  
It's taking your life and you're digging a hole  
And you hear it but you can't ignore it  
It's catching you up and it ain't gonna stop  
Can you hear it?  
It's calling

Sing for the day, when it all goes away  
All that we are, leads us astray  
Memories are made, with a price to be paid  
So sing, and let's today

Sing for the day, when it all goes away  
All that we are, leads us astray  
Memories are made, with a price to be paid  
So sing, and let's today
