***PUSH THROUGH THE WATER - LYRICS***

It's a dark, stormy night, out on the ocean, when the captain, he sends for me  
'We're in for a tough ride tonight my boy, you know it won't see us go free'  
So on, and on, and on we sailed that night, the captain, a bottle and me  
And we know we're done for, and we know we're doomed, but, hell, that's the lure for all three

When all is hopeless, and you're struggling to justify  
She is the one who sends you to comfort me (come to me)  
Fighting temptation, but it lures you in like a firefly  
She'll be the one who sends me to set you free (come to me)

Now some little after, the boat was crushed  
Condemned men screaming for their Mother Marys  
I felt us go down beneath the waves  
Pushing my way through the water is the will to survive  
Some men will drown and die  
Feel it flying over darkened skies  
You are running by the hour, it will sink you in a minute

When all is hopeless, and you're struggling to justify  
She is the one who sends you to comfort me (come to me)  
Fighting temptation, but it lures you in like a firefly  
She'll be the one who sends me to set you free

Follow me, I can bring you to life  
I will swallow your fear  
Follow me, and I'll end all your strife  
Take everything that you hold dear

Now I take control, of this sinking ship  
Anointed with guilt and greed  
With a bottle for protection and a bottle for you, we're singing  
And heading out on the sea  
No way back to shore for me, I ain't got much to show  
So to the pain of misery and to the pleasures of hell  
It's time to go below

When all is hopeless, and you're struggling to justify  
She is the one who sends you to comfort me (come to me)  
Fighting temptation, but it lures you in like a firefly  
I am the one, your saviour, now come to me (come to me)

Follow me, I can bring you to life  
I will swallow your fear  
Follow me, and I'll end all your strife  
Take everything that you hold dear

Follow me, I can bring you to life  
I will swallow your fear

Follow me, and I'll end all your strife  
Take everything that you hold dear
